

## Strengthening Long-Term Partnerships: Visit to Orlick

On **December 3, 2024**, **Howard Zhang**, MiLead's North America Regional Manager, and **Jason Chen**, an engineer from MiLead Kunshan, visited **Orlick Industries** in Hamilton, Canada. Orlick is a key supplier to Honda and a valued partner of MiLead Industries.

During the visit, Howard and Jason held a productive meeting with Orlick's general manager and staff. They:

- Reviewed and celebrated **10 years of successful collaboration** between MiLead and Orlick.
- Discussed **future plans** to strengthen their partnership further, focusing on innovation and mutual growth.

This meeting reflects MiLead's commitment to nurturing long-term relationships with global partners and driving excellence in the automotive supply chain.
